ASL Connection LLC

CAPABILITY STATEMENT · CERTIFIED ASL INTERPRETING, BOOKED THE EASY WAY

CODA-founded · Veteran-owned · Puyallup, Washington · Statewide coverage

The 30-second version. You tell us when and where. We confirm a certified, cleared interpreter in writing, usually within one business day. You get one invoice a month. Every interpreter on our roster is RID certified and vetted by a working interpreter, and our office answers the same business day. That is the whole experience, start to finish.

HOW BOOKING WORKS, AND WHERE YOU ARE AT EACH STEP

1 Request

Two minutes online at aslconnection.com/request, or an email to info@aslconnection.com. Date, time, location, setting. No account needed.

2 Confirmed

We match the assignment to the right interpreter for the setting and send you a written confirmation with the interpreter's name. Team of two is standard for anything over two hours.

3 Day of

Your interpreter arrives early, in professional attire, and checks in with your contact. Changes on the day go through one phone number that is answered.

4 Invoiced

One consolidated invoice per month, itemized by date and assignment, net 30. Purchase orders, ACH, and card accepted. We pay our interpreters; you pay one vendor.
